Douglas J. Husband Discovery Centre

Volunteer Position: Program and Event Volunteer

The Douglas J. Husband Discovery Centre is an accessible space for dialogue and discovery about our community's past, present, and future. Featuring authentic objects, digital experiences, and fascinating stories, all are welcome to engage with Delta's storied history.

We are seeking volunteers to assist with programs and events at the Douglas J. Husband Discovery Centre and in the community.

Working under the direction of the Staff, Program and Event Volunteers may be offered the following tasks:

- Welcome visitors to the Douglas J. Husband Discovery Centre and help with course sign-in
- Assist in providing information to visitors
- Assist in providing supervised opportunities for participants to engage within the space, interacting with the artifacts and digital supports
- Assist participants with their projects
- Contribute to a positive learning environment
- Assist with program or event set up and take down
- Communicate with the instructor and staff if issues arise or in the case of an emergency

Time Commitment:

- Available for Discovery Centre events and programs as planned

Qualifications:

- Friendly and excited about the history of Delta's many communities
- Enjoy working with children
- Great communication and people skills
- Able to work independently and in a collaborative environment
- Reliable and punctual

Benefits:

- Be part of an appreciative environment where you can learn about Delta's local history
- The opportunity to share your talents, knowledge, stories, and experiences
- The opportunity to develop or enhance career focused skills
- The chance to receive career mentorship, including but not limited to support, feedback, and network building
- Reference letter upon request
