

VOLUNTEER PARENT/GUARDIAN CONSENT FORM

Dear Parent or Guardian,

We are excited about your child/dependent's interest in volunteering with BC Children's Hospital Foundation. Before they can volunteer here, we will need consent for their participation. They will not be allowed to volunteer unless this form is completed and a parent or guardian is present while volunteering.

Please understand the following:

- 1) Eligible volunteers must be a minimum of 16 years of age. Volunteers between the ages of 16 to 18 are required to provide a signed consent form from a parent or guardian. Those interested in volunteering who are under the age of 16 must be accompanied by a parent or guardian when volunteering, and must also provide a signed consent form from a parent or guardian.
- 2) I agree that BC Children's Hospital Foundation, its Board Members, employees, guests and fellow volunteers are not responsible and are released from any claim we might have for any loss, damage, harm, injury, cost or expense that my child/dependent might suffer or incur before, during or after volunteering at BC Children's Hospital Foundation.
- 3) I accept the responsibility for my child/dependent's safety and security, and personally undertake to have my child/dependent act in a responsible and safe manner, as well as to adhere to the volunteer code of conduct.

By completing the information below, I consent to my child/dependent volunteering with BC Children's Hospital Foundation.

I understand and agree to all comments noted above.
