

Card Making Activity

These cards will go to families and individuals who we support through our programs: Bus Station Project, Refugee Resettlement Program, Unaccompanied Minors Program. Most of our clients do not have a positive first experience in the United States and we want them to know that they are supported, loved, and welcome.

Instructions:

1. Please write the English phrase as well as the provided translated phrase.
2. Decorating the card is up to you! The more creative the better. There are examples at the end of this guide.
3. When you send the cards, please make sure they **are not** in individual sealed envelopes.
4. Cards can be mailed to or dropped off at:
