

## When are volunteer opportunities available?

We currently offer volunteer opportunities Monday through Saturday. Typically activities are available between 8:00 am and 5:00 pm (8:00 am to 3:00 pm on Saturdays). Occasionally, we will have events or special opportunities available outside of this time frame.

## Can I volunteer if I am under 18 years old?

Volunteers ages 9 - 15 are welcome to volunteer under the supervision of a parent or guardian. This guardian must be present with the volunteer during all activities.

Volunteers ages 16 and 17 may volunteer with guardian permission, but do not require direct supervision. If a volunteer is unable to complete activities safely, we may ask for supervision during volunteer shifts.

## Are there any requirements to continue volunteering?

We require volunteers to complete one shift each month to remain active in our program. However, every volunteer is automatically given 4 months off from this requirement to allow time for illness, vacation, or just a break from volunteering. If you are a volunteer that has recently become inactive, please contact the volunteer coordinator to find out how to become active again!

## How do I get started?

- Complete an application. This will give us more information about you and your interests.
- Complete general orientation as well as training specific to activities you would like to be involved in
- Submit program fee. Your program fee helps offset the costs associated with our volunteer program including t-shirts, training, and volunteer insurance.
- Complete your first shift. We will answer any questions and help you get started.
