

COMMUNICATIONS SUPPORT

The Hamilton Burlington SPCA has so many amazing stories to tell about our programs, our animals, our volunteers, our services as well as strives to ensure our communication is top paw standards! Our Communications, Story telling and social media team are looking for volunteers to assist in this fast paced energetic area!

- **Location:** This volunteer role is fundamentally based at our McMaster Innovation Park Hamilton at 175 Longwood South, Suite 400. However, this may also include some projects at our 245 Dartnall Road Shelter and Hospital location.
- **Time committment:** We ask our volunteers to commit to a weekly shift of 3 to 4 hours. Typical shift times are 9am-12 or 1pm-4pm. We provide the work stations, the great people and the fun!
- **Role Overview:** This role actively supports our communications team. Volunteers in this area will be involved in social media posts, blog writing, image sourcing, branding, design, idea generation and story telling!

We are also looking for volunteers with experience in photography, videography and editing is a super plus!
