

HOW TO APPLY

Step 1: Choose your role.

The full list of Relays and Volunteer roles can be found below. Please ensure you read the role description before you sign up - this can be done by simply clicking on the role title.

Step 2: Start your application.

Click on the 'Fill in an application' button to the right hand side of the screen. You will then need to create your MyImpactPage login (this will involve creating your username and password). You must also read and agree to our volunteer terms and conditions before you can proceed with your application.

Step 3: Enter your contact information.

If you have one, please ensure you enter a mobile number at this step as this will be our best way of contacting you on the day or for any urgent updates in the lead up.

Step 4: Enter additional information.

In order for us to provide the best support for you on event day and run the event as safely as possible, we require some additional information from you - this will include information such as emergency contact details, Working with Children Check details and dietary requirements. Please answer to the best of your ability; this information can be updated later through your profile page.

Step 5: Sign up for your chosen role.

Once your profile has been created and you have answered all the required questions you may sign up for your chosen role. From your profile page, click on the 'Opportunities' tab at the top of the page and select either calendar or list view. Find your relay and then click on your chosen role. Scroll to the bottom of the page and select [+ Sign Up]. Your volunteer application is now complete!

Please note:

- Volunteers are required to be at least 18 years of age and must have a valid Working with Children Check, Blue Card or Working with Vulnerable People Check (as applicable to your state or territory). If you don't already have one, you may apply and provide these details at a later date.
- After completing your application, we will endeavour to provide email confirmation within 2 business days.
- Participation in online training and induction will be required prior to event day. Please ensure you keep an eye on your email inbox (as well as your junk folder) for further details.

If you have any questions or require any assistance with your application, please call Perfect Events on (03) 9384 1190 or email torch@legacytorchrelay.com.au.
